Hafa Adai Governor Leon Guerrero,

Thank you for your April 14, 2023 letter requesting additional time to complete lease negotiations for the proposed new Guam hospital and medical campus in Barrigada, commonly referred to as the Eagles Field area. I also want to express my appreciation for the diligent work being conducted by our respective legal and real estate staff leading up to this final stage of lease negotiations.

I acknowledge that proposed amendments to the original unsigned lease require additional time for both Department of the Navy (DoN) and Government of Guam representatives to conduct a thorough review. In acknowledgement of our good faith efforts I am granting an extension of time to April 30, 2023 to finalize and endorse the lease on behalf of the DoN.

I look forward to discussing the outcome of the DoN review with you in the near future.

Sincerely,
